Answer 2: This is not for legal services, SAHA has existing contracts for legal services.
- Question 3:** Is SAHA asking consultants to rewrite or update its Section 3 Utilization Plan?
Answer 3: This could be a possibility however we are not specifically asking for a rewrite at this time
- Question 4:** Will the consultant team be used to augment the current SAHA staffing levels in order to successfully manage the current inventory of rental units?
Answer 4: NO, this would be for consulting only not staff augmentation.
- Question 5:** Are new housing projects being planned and what role will the consultant team have?
Answer 5: No new Public Housing facilities are planned, any new housing would likely be Tax Credit or Affordable Housing and the consultants role if any would be on the financing side.
